SUMMARY

Detail oriented developer with a strong foundation in building dynamic, user centric web applications. Eager to contribute to impactful projects while continuing to expand my development skills in a collaborative environment.

SKILLSET

HTML5 | CSS3 | JavaScript | React.js | Express.js | Node.js | MongoDB | Python | SQL | Unity | Git | GitHub | Leadership

WORK EXPERIENCE

Web Developer Intern   Nov 2024 – Jan 2025

Cloud Quest
- Build responsive user interfaces utilizing modern front end technologies such as ReactJS.
- Conducted testing of software and systems to ensure quality and reliability.
- Worked closely with product owners, designers and other stakeholders throughout the development process.

PROJECTS

Gamely   *Jan 2025 – April 2025*
- Developed a responsive gaming website using React.js, offering users the ability to play emulator, PC, and Android games directly in their browsers.
- Integrated seamless game playing functionality, ensuring smooth cross platform performance and an optimized user experience.

Beastify   Oct *2024 – Nov 2024*
- Created a platform that enables user to view 3D animal models, place them in real world environments and explore features like animals facts and a 360 degree scene view.
- Integrated interactive elements such as memory game and AR capabilities, delivering an immersive and interactive experience for users.

Car Studio   Jul *2024 – Sep 2024*
- Leveraged Unity to create an interactive app, allowing users to place and manipulate 3D car models in real time using image tracking.
- Enabled immersive car interactions, including features like rotating the model, starting the engine, and displaying detailed car features, enhancing user experience.

Code Pad   May *2024 – Jun 2024*
- Developed an online code editor using Python and Streamlit, enabling users to write and edit code directly in the browser.
- Integrated support for multiple programming languages and customizable themes to enhance the user coding experience.

EDUCATION

Bachelor of Computer Applications (BCA)   2023 – 2026

GLA University, Mathura
CGPA: 8.4

Intermediate   Graduated in 2023

St Dominics School, Mathura
CGPA: 9.5

CERTIFICATIONS

MongoDB Atlas Certification: *MongoDB*   *July 2024*
Master Microsoft Excel: *Udemy*   *April 2024*
SQL and Relational Databases: *CognitiveClass.ai*   *July 2024*
Python HackerRank Certification: *HackerRank*   *Jun 2024*

AWARDS

Winner, Hackvision Hackathon   *Nov 2024*
